Regarding the activity of the last meeting

Girls, now comes the part where we want to know how you felt during the activity.

You'll see some statements about how people felt during the date. Read them carefully and rate how well each one matches your experience.

Scale:

- 1 - It didn't happen to me.
- 2 - Little happened
- 3 – It happened more or less
- 4 – It happened quite often
- 5 – It happened to me a lot.

Oh, and this part will appear every day now, okay? It's super important for us to understand how you're feeling throughout the activities.

7. I thought the activity was useful and important .
